SELECTION OF TEAS

Our tea is supplied by Camellia's Tea House
– an artisan producer and importer,
hand blending its teas here in London.

Just as with wine, tea is influenced by soil type and climate,
in addition to differences in the farming and
production process. It is thought there are around 1500
variants of tea, produced in 36 countries.

We have carefully selected 22 exceptional teas
for your enjoyment, including our own signature blends
and very special premium rare teas.

We understand that preferences and dietary needs vary, and our culinary team will gladly accommodate special requests with advance notice. We are committed to culinary excellence and to operating with an environmentally and socially responsible approach. We prioritise local suppliers, support British farmers, and showcase seasonal ingredients, while actively minimising our footprint through composting and recycling practices. Our menus proudly exclude endangered species, and we are committed to ensuring that our sourcing and purchasing practices are fair and beneficial for all involved. All prices include VAT. A discretionary 15% service charge will be added to your bill. (V) Vegetarian and (VG) Vegan afternoon tea options are available upon request with 24 hours advance notice.
